

Our Commitments

We feel it is important to share information with you on 'how and why' our practice prides itself on spending quality time with each individual patient and provide quality dentistry at reasonable costs. We do this by having both the office staff and patients abide by certain commitments.

COMMITMENT TO TREATMENT POLICY

We believe that all treatment begun should be completed. Incomplete treatment leads to problems, complications, further disease, and more expenses. Therefore, if a plan is agreed upon and started, it needs to be completed. Rest assured that we would never move forward with treatment without your consent.

COMMITMENT TO APPOINTMENT POLICY

An appointment written in our schedule with your name on it is a bond of trust that we will be here to serve you and that you will be present for that appointment. We request at least 48 hours for any appointment changes as a courtesy to us. Our answering machine does not accept appointment cancellations or changes. We must have mutual respect for each other's time.

COMMITMENT TO FINANCIAL AGREEMENT & INSURANCE POLICY

We will not move forward with treatment unless you are fully aware of "fees" and expected payment and then only with your consent. Our office does not diagnose, render treatment or establish fees according to any insurance tables or allowances. Our fees are based on the care, skill and judgment of the professionals delivering the services, and the cost of operating a dental office dedicated to excellence. Please remember that we work 100% for you, not your insurance company. We will file insurance claims as a courtesy to you. Please understand that YOU are ultimately responsible for any amounts not covered by your plan.
